I am delighted you are considering coming to study at Stirling. You have applied to a university where everyone is treated with respect, and where ability - not background - is valued above all else.

We take pride in offering our students an education informed by innovation and excellence, an inspiring academic experience and a living and learning environment that is second to none.

At Stirling, we are committed to making a positive difference in the world and our focus is on helping students achieve their full potential, giving them the best possible start in life as a graduate.

With £43 million invested in sports facilities, social, study and student support spaces, there is so much more for you to experience.
